## APPOINTMENT LETTER

Date: 27/01/2023

Ms. Harleen Kaur D/O Mr. Ranjit Singh,  
Khalsa College of Engineering and Technology, Amritsar.

Dear Harleen Kaur,

We are pleased to offer you the Full Time Intern as a **Mobile App Developer with React Native** at **Extech Digital** with a start date of **30/01/2023**. The time period of this internship will be approx. **6 months i.e. by 31<sup>st</sup> July 2023**. You will be reporting directly to **Mr. Deepak Kashyap** at **Extech Digital**. We believe your skills and experience is an excellent match for our company.

In this role, you will be required to follow below mentioned relevant job duties and responsibilities.

- Build app and UI components from prototypes and wireframes
- Work with native modules as and when required
- Use Native APIs for tight integrations with both platforms – Android and iOS
- Write automated tests to ensure error-free code and performance
- Improve front-end performance by eliminating performance bottlenecks
- Create front-end modules with maximum code reusability and efficiency

The stipend amount for this position is **8,000/-** to be paid on a monthly basis, starting on **30/01/2023**.

Your employment with **Extech Digital** will be on an at-will basis, which means you and the company are free to terminate the employment relationship at any time for any reason. This letter is not a contract or guarantee of employment for a definite amount of time.

As an employee of **Extech Digital**, you are also eligible for our benefits program, which includes medical insurance, vacation time, etc. and other benefits which will be described in more detail in the employee handbook.

We are excited to have you join our team! If you have any questions, please feel free to reach out at any time.

Sincerely,  
Ms. Anjali Sharma
