About Us

Established by the 130-year old, legendary, non-profitable, non commercial Khalsa College Charitable Society, with the avowed aim of “welfare and Well-being of all” Khalsa College of Engineering and Technology, Amritsar (**Accredited “A” Grade by NAAC**) was established in 2009 to spread the benefits of quality-oriented technical education to the youth of India based on access and equality. Institute has rapidly grown to become the institution of choice for students. Sprwaling over and area of 17 acres the college has a colossal building, hostels, workshops, a fully automated library, seminar rooms, large classrooms, and laboratories equipped with cutting-edge technologies, instruments and machines. We strongly believe in equity of education. Currently institute is an ideal example of cultural diversity being the home to students from 8 different countries and various states of India. We under this institute are united under the roof of educational umbrella.

About The Conference

This Conference and Panel Discussion is being organized on 8th March 2024 to celebrate International Women's Day and aims to discuss thread bare the often-overlooked issue of the misuse of rights by women exploring its underlying causes, implications, and potential solutions. By fostering discussions and knowledge exchange, we seek to raise awareness and promote positive collective action towards achieving gender equality and justice. Our overarching objective is to empower women by addressing the root causes, raising awareness, fostering advocacy, and promoting accountability. By achieving these goals, we aspire to contribute to the creation of a more just and equitable society where all women can exercise their rights with dignity and autonomy, while safeguarding the rights of males.
