## National Women's Day

### Brief Report of Event

NCC wing of Khalsa College of Engineering and Technology in association with NCC Punjab Battalion 24 and Women Cell of the college organized a seminar and poster making event on the occasion of National Women's Day. The event commenced with a warm welcome address by the Director Dr. Manju Bala. She welcomed the guests of the day Naibsubedar S. Jaswant Singh and S. Kulwinder Singh. Dr. Bala in her speech highlighted the pivotal role of women in nation-building and the significance of women empowerment in today's society. Emphasizing the need for gender equality and opportunities for women in various sectors, she underscored the importance of celebrating women's achievements and contributions. She said that empowering women isn't just about providing them with opportunities; it's about dismantling the systemic barriers that hinder their progress. It's about ensuring equal access to education, healthcare, employment, and leadership roles. It's about challenging stereotypes, biases, and discriminatory practices that perpetuate gender inequality. Women empowerment is not just a buzzword; it's a fundamental necessity for building a more equitable and inclusive society. She asked students to pledge to create an environment where every woman and girl can thrive, fulfil her potential, and contribute meaningfully to nation-building.

## Amrit Kalash Yatra

### Brief Report of the Event:

**Name of Event:** Amrit Kalash Yatra

**Day & Date:** 11<sup>th</sup> October, 2023

**Number of Students Participated:** 15

**Organized by:** NSS wing and Human Value Cell

In continuation to ongoing 'Meri Maati Mera Desh' campaign, NSS wing and Human value cell of Khalsa College of Engineering and Technology, Amritsar organized 'Amrit Kalash Yatra' at the Rose garden, B-block, Ranjit Avenue, Amritsar. The event witnessed active participation of college students and citizens.

The 'Amrit Kalash Yatra' involved the collection of soil from various villages symbolizing unity and dedication to the nation. The campaign aims to pay tribute to the courageous Veers who have made the supreme sacrifice for our nation. Students took the pledge of dedication to the service of our country. Dr. Manju Bala, Director, KCET addressed the students that these yatras provide a platform to the people to connect with their roots and appreciate the rich tapestry of Indian culture. She also elaborated that Amrit KalashYatras will help educate individuals about the sacrifices made by our freedom fighters and the struggle for independence.

S. Rajinder Mohan Singh Chinna (Honorary Secretary) Khalsa College charitable Society appreciated the efforts of Dr. Manju Bala, staff and students for active participation in such events.

**Blood Donation Camp**

**Brief Report of the Event:**

**Name of Event:** Blood Donation Camp

**Day & Date:** 11<sup>th</sup> October, 2023

**Number of Students Participated:** 70

**Organized by:** NSS wing

Khalsa College of Engineering and Technology, Amritsar in keeping with its policy of commitment towards society and to sensitize the students accordingly organized its annual Blood Donation Camp on 11<sup>th</sup> October, 2023 at venue Divinity hall. The camp was conducted by NSS wing in association with KVIEW (knowledge Villa Integrated Education and Welfare Society).

The camp was inaugurated by Shri Ravi Mahajan of KVIEW. The inauguration was also graced by the presence of Dr. Manju Bala of Khalsa College of Engineering and Technology. Speaking on the occasion, Dr. Manju Bala, Director, KCET said that donating blood not only helps needy people but it also beneficial for our own health. The reason is that it triggers our liver to make more blood. The doctors collected more than 70 units of blood from the students and faculty. All students were happy that they got the opportunity to participate in this act. The faculty members who donate blood were Dr. Amit Mahajan, Er. Harmeet Singh and SK Sayal.. A team of competent doctors evaluated the donors' fitness for donation under hygienic and secure blood donation conditions. After the donation, the donors were served nutritious refreshments and were honor with a donation certificate, and a small gift for their generosity to this worthy cause.

S. Rajinder Mohan Singh Chinna (Honorary Secretary) Khalsa College charitable Society appreciated the efforts of Dr. Manju Bala, staff and students for active participation in such events.

**Eco Revolution: Paving the Way for a Clean and Green Amritsar**

**Brief Report of the Event:**

**Name of Event:** Eco Revolution: Paving the Way for a Clean and Green Amritsar

**Day & Date:** Friday, 24<sup>th</sup> November, 2023

**Number of Students Participated:** 15

**Organized by:** Municipal Corporation Amritsar and NGO

In light of the escalating environmental concerns in Amritsar, particularly regarding solid waste and plastic pollution, NGO in collaboration with Municipal Corporation of Amritsar, organized an event on solid waste management. Students from Khalsa College of Engineering & Technology were invited to participate in Debate/Declamation and street play. The objective is to instill a sense of responsibility within the local community and pave the way for a cleaner and more sustainable environment.

Students from Khalsa College of Engineering and Technology took part and were awarded for their contributions to solid waste management. Dr. Manju Bala commended the students for their active engagement in an event. She pointed out that Amritsar, known for its cultural and historical significance, is currently dealing with waste management concerns, particularly an increase in solid garbage and widespread usage of single-use plastics. Organizing an awareness drive on solid and plastic waste management in Amritsar can be an effective way to educate the community about the importance of responsible waste disposal and promote sustainable practices.

S. Rajinder Mohan Singh Chinna (Honorary Secretary) khalsa College Charitable Society appreciated the efforts of Dr. Manju Bala, staff and students for active participation in such events.

**'Ek Tareekh Ek Ghanta' (ETEG) campaign under Swachhata Hi Sewa 2023**

**Name of Event:** 'Ek Tareekh Ek Ghanta' (ETEG) campaign under Swachhata Hi Sewa 2023

**Day & Date:** Sunday, 1st October, 2023

**Number of Students Participated:** 26

**Organized by:** NSS Unit

To mark the ambitious mission of Clean India, the students of Khalsa College of Engineering & Technology, Amritsar observed 'Ek Tareekh Ek Ghanta' (ETEG) campaign under Swachhata Hi Sewa 2023 on 1-10-2023. The college organized Cleanliness Drive under the mission of Swachh Bharat introduced by the Honorable Prime Minister, Shri Narendra Modi on the occasion of Gandhi Jayanti. The main objective of this programme was to spread awareness among the students about the significance of Cleanliness and its benefits.

Our college actively involved all its members to help to spread awareness about cleanliness and its nationwide implementation in order to achieve a healthier, greener and better India. Halls and classrooms were swept and dusted. The gardens and playgrounds were cleaned. The sweepers of the school had to be the observers and were given the responsibility to instruct the students.

The programme was begun by cleaning the corners of the playground and parks. Brooms and dusting sticks were picked with great enthusiasm and everyone started their jobs. The wastes were properly disposed of in the bins.

Dr. Manju Bala said objectives of cleanliness drive are to spread awareness among students about hygiene and hygienic practices and make cleanliness their regular habit. Contribute to the prevention of global warming and to aid the environment. S. Rajinder Mohan Singh Chhina (Hon. Sec., Khalsa College Charitable Society) lauded the efforts of the faculty of the college for this noble step towards the environment.

### **Massive Tree Plantation Drive**

**Name of Event:** MeriLIFE: Massive Tree Plantation Drive

**Day & Date:** Thursday, 13th July, 2023

**Number of Students Participated:**

**Organized by:** NSS Unit

As we are aware that environmental conservation and sustainable development have become crucial aspects of our society today. One of the most effective ways to address these challenges is through tree plantation. Thursday, July 13, 2023, a "Tree Plantation Drive" was organized by the NSS Unit at Khalsa College of Engineering & Technology, Amritsar. A variety of saplings more than 100 such as anjeer, kinnow, lemon, guava, pomegranate, papaya, mango, plum etc was bought from Khalsa College and Chandi Flora Nursery Amritsar. NCC Wing and the students enthusiastically participated in the drive and assisted one another in planting the saplings. Director Dr. Manju Bala addressed the students about the importance of trees how they play a crucial role in maintaining ecological balance by absorbing carbon dioxide, producing oxygen, preventing soil erosion and providing shade. The plantation of trees is the best way to protect the Ozone layer and Global warming effects. Dr. Manju Bala said that everybody plants a tree in their lifetime and contribute in conserving the nature. She said plant trees as many as possible so as to create a very healthy environment and contribute in minimizing the climatic changes.

S. Rajinder Mohan Singh Chhina (Hon. Sec., Khalsa College Charitable Society) lauded the efforts of the faculty of the college for this noble step towards the environment. Others present on the occasion were Dr. Jasleen Kaur (HOD, CSE), Dr. Maalti Puri (HOD, ECE), Er. Jasjeevan Singh (NSS Coordinator), Dr. Pardeep Singh (HOD, Applied. Sciences), Er. Loveleen Kaur, Dr. Supreet Kaur and other faculty members.

### **National Energy Literacy Week (NELW)**

#### **Brief Report of the Event:**

**Name of Event:** National Energy Literacy Week (NELW)

**Day & Date:** (15<sup>th</sup> – 20<sup>th</sup> January, 2024)

**Number of Students Participated:**

**Organized by:** NSS Unit

Energy Swaraj Foundation is organizing the national Energy Literacy Week from 15<sup>th</sup> – 20<sup>th</sup> January, 2024 in collaboration with the All India Council for Technical Education (AICTE). Climate change needs collaborative action, and NSS volunteers and faculty members at Khalsa College of Engineering & Technology completed a three-hour online Energy Literacy Training course and received certificates. NELW offers the opportunity to learn about renewable energy, environmental consciousness, and climate action.

As we all know, environmental conservation and sustainable development have become critical components of our society today. One of the most effective methods to handle these difficulties is through knowledge of energy. Director Dr. Manju Bala discussed Energy Literacy Training, includes the understanding of energy generation, its consumption, its use, misuse and inefficient use, opportunities to conserve energy and generate clean energy. Energy is the main culprit of climate change because more than 80% that we use comes from coal, oil and gas. It is important to know the basics about energy usage and its negative impact on the environment

S. Rajinder Mohan Singh Chhina (Hon. Sec., Khalsa College Charitable Society) lauded the efforts of the faculty of the college for this noble step towards the environment.

## Pollution Control Day

### Brief Report of the Event:

Name of Event: Pollution Control Day

Day & Date: 2<sup>nd</sup> February, 2024

Number of Students Participated: 25

Organized by: NSS wing,

Pollution Control Day was observed in Khalsa College of Engineering & Technology on 2<sup>nd</sup> February, 2024 to instill awareness among students about environmental pollution and its disastrous consequences. The key objectives are to educate students about the importance of pollution control acts and making them aware about industrial disasters. The day aims to bring awareness to students about prevention of air, soil, noise, and water pollution. 25 students participated in an event and were awarded with certificates.

Addressing the students, Director Manju Bala, explained about the environment pollution and its effects. Pollution is one of the pressing issues of the world. Every year, people die due to pollution of various kinds, and it is high time that we become mindful of the way we live and use the resources of the planet to ensure that the future is green and harmless. However, introducing new and harmful elements to nature adds to the rising pollution on a daily basis, and this further degrades the quality of life and health of the people. Be it air pollution, water pollution or environmental pollution, the various types of pollution are on a steep rise and are degrading the planet, one day at a time.

S. Rajinder Mohan Singh Chinna (Honorary Secretary) Khalsa College Charitable Society appreciated the efforts of Dr. Manju Bala, staff and students to create awareness about the various types of pollution caused by human beings. It is equally important to explore sustainable ways of living so that we can reverse the damage we have done to this planet.

**Republic Day**

**Brief Report of the Event:**

**Name of Event:** Celebrated Republic Day

**Day & Date:** 25<sup>th</sup> January, 2024

**Number of Students Participated:** 58

**Organized by:** NSS wing, in collaboration with the NCC and IIC

NSS wing, in collaboration with the NCC and IIC celebrated Republic Day on 25<sup>th</sup> January, 2024 at the Khalsa College of Engineering and Technology, Amritsar. Republic Day in India is celebrated on January 26 each year to honor the day the Constitution of India came into effect in 1950. On this day, citizens join together to reflect on the sacrifices made by freedom fighters and to renew their dedication to a united, progressive, and inclusive India.

Mr. Jatinder Singh, JCO, Indian Army, gave a motivational lecture on this day. Think of the brave freedom fighters who sacrificed everything for this day. Their unwavering courage lit the way to freedom, enabling us to stand tall as a proud nation. We owe them a deep debt of gratitude.

Dr. Manju Bala informed the students that Republic Day is more than just commemorating the past; it is also about embracing the present and preparing for the future. It is the freedom to learn, to dream big, and to set high goals. It is the freedom to speak up and be heard. It is the freedom to be tolerant and kind towards others. On this Republic Day, let us pledge to be honorable citizens of this magnificent country. Let's promise.

S. Rajinder Mohan Singh Chhina (Hon. Sec., Khalsa College Charitable Society) lauded the efforts of the faculty of the college for this noble step.

### Tree Plantation Drive

**Name of Event:** Tree Plantation Drive

**Day & Date:** Tuesday, 4th August, 2023

**Number of Students Participated:** 29

**Organized by:** NSS Unit

Khalsa College of Engineering & Technology proudly stands alongside the enthusiastic students and the dedicated NSS cadets in celebrating Azaadi Ka Amrit Mahotsav with a meaningful Tree Plantation Drive on 4<sup>th</sup> August, 2023. Witness the collective effort as we nurture 'Meri Maa Si Mera Desh' and sow the seeds of a sustainable tomorrow. Dr. Manju Bala (Director) dwelled on the need to preserve traditional culture and heritage of the state while moving on the path to progress. She highlighted the significance of tree plantation during monsoon season and said that these are traditional markers of a bountiful monsoon in the state. She urged to keep the environment clean and discussed the need for holding such events. Around 50 saplings of gulmohar, amla, palm, sheehsam and bougenvellia were planted.

S. Rajinder Mohan Singh Chhina (Hon. Sec., Khalsa College Charitable Society) lauded the efforts of the faculty of the college for this noble step towards the environment. Others present on the occasion were Dr. Jasleen Kaur (HOD, CSE), Dr. Maalti Puri (HOD, ECE), Er. Jasjeevan Singh (NSS Coordinator), Dr. Pardeep Singh (HOD, Applied. Sciences), Er. Loveleen Kaur, Dr. Supreet Kaur and other faculty members.

### Voter Awareness Event

Name of Event: Voter Awareness Event

Day & Date: 4<sup>th</sup> -6<sup>th</sup> March, 2024

Number of Students Participated: 350

Organized by: NSS wing,

Under the initiative of AICTE Campaign Mera Pehla Vote - Desh Ke Liye, The NSS Unit of Khalsa College of Engineering & Technology, Amritsar in association with Human Values Cell organized an awareness camp on voting from 5th March, 2024. Khalsa College of Engineering and Technology has been selected as one of the Nodal Institution for the campaign Mera Pehla Vote Desh Ke Liye from 28.02.2024 to 6.03.2024 by AICTE. The motive campaign is to provide information to the student about elections and their importance along with the significance of voting. The students took the pledge as part of an online event and also participated in a quiz. More than 350 students participated and received their certificates in online pledge and quiz events. The main goals were to encourage students to actively participate in upcoming elections and cast their vote. On 5th March 2024, students also participated in online reel, podcast and blog events as directed by AICTE. Students were also made aware about their voting rights during the seminar. Also students participated in rally to aware the public for votes. Selfie point was installed in college for the students showing the importance of votes.

Addressing the students, Director Manju Bala, explained the importance of voting and how they can use their vote properly to contribute to nation building. Youth are the most important and dynamic segment of the population and their influence can significantly increase electoral awareness, said Director Manju Bala, who took part in the event. She said that each single vote matters a lot and it is very important to elect the right person for the growth of nation.

S. Rajinder Mohan Singh Chinna (Honorary Secretary) Khalsa College charitable Society appreciated the efforts of Dr. Manju Bala, staff and students for active participation in such events.
