Memorandum of Understanding (MoU) between Khalsa College of Engineering & Technology and IVY Hospital

This Memorandum of Understanding (MoU) is entered into on [09-02-2024], by and between:

Khalsa College of Engineering & Technology & IVY Hospital Amritsar

Preamble

Whereas, Khalsa College is an educational institution offering various healthcare-related programs including BSc Radiology and Imaging Technology (BSc RIT), BSc Medical Laboratory Sciences (BSc MT), BSc Cardiac Care Technology (BSc CCT), BSc Optometry, MSc Radiology, MSc Microbiology, and MSc Medical Laboratory Sciences (MSc MT).

Whereas, IVY Hospital is a reputable healthcare institution with expertise in the medical field

Whereas, both parties wish to collaborate to enhance the quality of education and practical training provided to students in the medical programs offered by Khalsa College of Engineering & Technology

Now, Therefore, the parties agree as follows:

1. Purpose of Collaboration

1.1. The primary purpose of this MoU is to establish a framework for collaboration between Khalsa College of Engineering & Technology and IVY Hospital to enhance the educational and practical experiences of students enrolled in the B.Sc. programs mentioned above.

2. Areas of Collaboration

2.1. IVY Hospital agrees to provide clinical training opportunities, internships, and practical experiences to students enrolled in the specified B.Sc. Optometry.

2.2. Khalsa College of Engineering & Technology agrees to incorporate the expertise and guidance of IVY Hospital into the curriculum and educational activities of the programs.

3. Responsibilities of the Parties

Memorandum of Understanding

This Memorandum of Understanding (MoU) is entered into on 14th Sep, 2023 by Khalsa College of Engineering and Technology, Amritsar and Inspire Industrial Corporation, 29, 100 Feet Road, Amritsar (GST: 03DHNPk0923B2ZU) with the purpose to open Luxury Restaurant in college premises as the one and only place for Food and Leisure. The entire range of Students, Staff and other concerned people will cherish the following amenities in this facility:

Whereas Inspire Industrial Corporation states that:

1. We would invest upto Rs. 2 Crore in the fully furnished Luxury layout. The investment level varies on the basis of Scope and total number of students
2. The entire Restaurant will require a space of 2500- 6000sqft. This will comprise an inner lounge, outer lounge and a kitchen. In preview to the specific restaurant area shown to us we could make an extra investment to increase the inner lounge. This would easily facilitate a total seating capacity of upto 150.
3. Depending on the area there would be a set of upto 60 Leather Sofas and Leather chairs. Attaining a level of high end superiority we would only use a custom made furniture made specifically under our own brand name - Inspire.
4. It will comprise an immaculate flooring of waterproof wooden panels & Granite Marble.
5. The most ceiling area would be designed with Plaster of Paris (PoP) which is highly fire resistant.
6. We could also provide an outer lounge which will provide an essence of European style restaurant with weather proof outdoor furniture. The students would love to sit in the sensational sunny days during the winters and in the evening.
7. **Food Quality** - Inspire would offer a unique dining experience with our Signature recipes and hospitality.
8. Our Kitchen will have a state of the art technology with fully automated Ovens, Grills, Mixers, Freezers, Refrigerators, Fire safety system and Hygiene levels. We could make a new kitchen area at the back side of your garden.
9. There would be a **separate deck for the Staff members** of the institute. This would maintain a level of respect and personal gap between the students and faculty.
10. Restaurant will have a centralized **Air Conditioning** Or individual AC units.

Accredited by NAAC Grade "A"

**Khalsa College of Engineering & Technology**
ਖ਼ਾਲਸਾ ਕਾਲਜ ਆਫ਼ ਇੰਜੀਨੀਅਰਿੰਗ ਐਂਡ ਟੈਕਨੋਲੋਜੀ
{Approved by AICTE, New Delhi & Affiliated to IKG Punjab Technical University, Jalandhar(Govt. of Punjab)}
Accredited by NAAC Grade "A"

11. In the extra recreational activities, we could have a Snooker table game and other indoor games which would have a separate deck inside the restaurant area. It would be available on a separate charge for fixed duration of time.
12. There will be a huge **LED screen** in the restaurant lounge where a decent light music will help in creating a soothing environment.
13. A level of **Fire Safety and Health & Safety** guidelines will be thoroughly considered in the layout.

Terms & Conditions :

1. **Contract Period** - In response to the big investment we prefer to have a minimum contract period of **3 years which is extendable upto another two years every time on the expiry of a contract period provided both the concerned parties are mutually satisfied.**
2. In concern to the investment level we prefer to open our restaurant from **8am- 11pm**. In this scenario the students can come back for their retreat in the evening time as well. This will also facilitate your hostel residents to enjoy their morning, evening and night meals in the excellent luxury atmosphere.
3. We would require the required electricity load and water supply to run our restaurant facility. We expect the college to facilitate us with all such kind of needs although we would pay our electric bills separately.
4. Our rates of food items will remain same as we have mentioned in the proposal. We may make some variation in the rates according to the inflation or after every year. However, prior to the implementation of rates we will always discuss with the college authorities.
5. If any damage caused to our furniture or property by the student or any other person we would have the right to claim that damage from the concerned person. Although, we would notify the students in advance. **Also in case of any clash amongst students if any FIR is required we will take the necessary action against the student and any further legal proceedings but College will not be responsible for that.**
6. Due to any unforeseen reasons if we discontinue the facility we will have the right to take back only those items in which we have invested for the restaurant. **We will duly give a notice period of 3 months to the institute authorities in such situation.**
7. The Land and the already built building will obviously stay as the property of the college.

Explorin Private Limited, Mohali, Punjab

Memorandum of Understanding (MOU) between Explorin Private Limited and Khalsa College of Engineering and Technology

Date: 23rd August 2023

Parties Involved:

Explorin Private Limited (hereinafter referred to as "Provider"), is a corporation organized and existing under the laws of India, with its registered office located at 204, M S Enclave, Dhakoli, Zirakpur, Mohali, Punjab, India, 160104.

Khalsa College of Engineering and Technology (hereinafter referred to as "College"), is a college registered under the laws of India, with its campus located near C Block, Ranjit Avenue, Amritsar, Punjab, 143001.

Whereas:

The provider is an ed-tech startup that offers placement training services to a select group of students known as "Super 30," led by top-performing IITians.

College is a reputed educational institute committed to enhancing its students' employability and career prospects.

Now Therefore, the Parties Agree As Follows:

1. Program Integration:

1.1 Provider will introduce its placement training program as a mandatory online training program or internship for the top 30 students at College.

1.2 The placement training program will be an integral part of the curriculum for the selected Super 30 students, and successful completion of the program will earn them a certificate and relevant credits.

2. Placement Guarantee:

Explorin Pvt. Ltd. is an Education based Information Technology firm
CIN: U80904PB2021PTC053922, Website: www.explorin.io
Mail- support@explorin.io, Phone- (+91) 99504 09065

2.1 For the top 10% of Super 30 students, Provider guarantees placement with a minimum CTC (Cost to Company) agreed upon mutually by Provider and College. The minimum decided CTC will be 7 lakhs per annum.

2.2 The minimum package guarantee will be applicable for placements with hiring partners associated with the Provider and applicable for **1 year** from the date of commencement of the program.

3. Program Duration and Weekly Learning Model:

3.1 The placement training program will have a fixed duration of six months, starting from 1st Sep '23 to 8th Mar '24.

3.2 The program will follow a 4 Step Weekly Learning Model, which includes

- knowledge sessions,
- practice sessions,
- coding contests, and
- personalized feedback for Super 30 students.

3.3 The Access to Explorin's learning platform (containing all the recordings of the learning sessions and their daily practice problems) will remain with the Super 30 students for additional 6 months after the end date of the training program i.e till 1st Sep '24.

4. Pricing and Payment:

4.1 The total fees for the Super 30 batch will be paid in six monthly installments by the students.

4.2 The fees will be collected by the ^{TPO cell} college management every month and processed to Explorin's bank account.

4.3 The college has no moral responsibility related to pricing and payment.

5. Confidentiality:

5.1 Both Parties shall treat all confidential information exchanged during the collaboration with the utmost confidentiality and shall not disclose, reproduce, or share such information with any third party without the prior written consent of the other Party.

5.2 Confidential information includes, but is not limited to, training materials, course content, student data, and any other proprietary information shared between the Parties.

6. Termination:

6.1 This MOU will be valid for a period of 6 months commencing from 23rd Aug 23. Either Party may terminate this agreement by providing 1-month notice in writing to the other Party.

6.2 Upon termination, both Parties shall fulfill any pending obligations under this MOU.

7. Governing Law and Jurisdiction:

7.1 This MOU shall be governed by and construed in accordance with the laws of India.

7.2 Any dispute arising out of or in connection with this MOU shall be subject to the exclusive jurisdiction of the courts in Mohali, India.

Explorin Pvt. Ltd. is an Education based Information Technology firm

2. Areas of Collaboration

2.1. **The Corporate hospital** agrees to provide clinical training opportunities, internships, and practical experiences to students enrolled in the specified B.Sc. programs.

2.2. Khalsa College agrees to incorporate the expertise and guidance of **The Corporate hospital** staff into the curriculum and educational activities of the programs.

3. Responsibilities of the Parties

3.1. Khalsa College Responsibilities:

a. Facilitate the placement of students for clinical training and at **The Corporate hospital** b. Ensure that students adhere to the rules and regulations of **The Corporate hospital** during their

placements. c. Incorporate relevant practical insights from **The Corporate hospital** into the academic curriculum.

3.2. The Corporate hospital Responsibilities:

- a. Provide clinical training and practical experiences to students, adhering to the highest standards of patient care.
- b. Collaborate with Khalsa College of Engineering & Technology to conduct workshops, seminars, or guest lectures for students.

4. Duration and Termination

4.1 This MoU shall commence on the date of signing and remain in effect for a period of [1 year]

For Khalsa College of Engineering & Technology:

Memorandum of Understanding (MoU) between Khalsa College of Engineering & Technology and New Asia Diagnostics

This Memorandum of Understanding (MoU) is entered into on [23-09-2023], by and between:

Khalsa College of Engineering & Technology & New Asia Diagnostics

Preamble

Whereas, Khalsa College is an educational institution offering various healthcare-related programs including BSc Radiology and Imaging Technology (BSc RIT), BSc Medical Laboratory Sciences (BSc MT), BSc Cardiac Care Technology (BSc CCT), BSc Optometry, MSc Radiology, MSc Microbiology, and MSc Medical Laboratory Sciences (MSc MT).

Whereas, **New Asia Diagnostics** is a reputable healthcare institution with expertise in the medical field

Whereas, both parties wish to collaborate to enhance the quality of education and practical training provided to students in the medical programs offered by Khalsa College of Engineering & Technology

Now, Therefore, the parties agree as follows:

1. Purpose of Collaboration

1.1. The primary purpose of this MoU is to establish a framework for collaboration between Khalsa College of Engineering & Technology and **New Asia Diagnostics** to enhance the educational and practical experiences of students enrolled in the B.Sc. programs mentioned above.

2. Areas of Collaboration

2.1. **New Asia Diagnostics** agrees to provide clinical training opportunities, and practical experiences to students enrolled in the specified B.Sc. programs.

2.2. Khalsa College of Engineering & Technology agrees to incorporate the expertise and guidance of **New Asia Diagnostics** staff into the curriculum and educational activities of the programs.

3. Responsibilities of the Parties

3.1. Khalsa College of Engineering & Technology Responsibilities:

- Facilitate the placement of students for clinical training and internships at **New Asia Diagnostics**.
- Ensure that students adhere to the rules and regulations of **New Asia Diagnostics** during their placements.
- Incorporate relevant practical insights from **New Asia Diagnostics** into the academic curriculum.

3.2. New Asia Diagnostics Centre Responsibilities:

- Provide clinical training and practical experiences to students, adhering to the highest standards of patient care.
- Collaborate with Khalsa College of Engineering & Technology to conduct workshops, seminars, or guest lectures for students.

4. Duration and Termination

4.1 This MoU shall commence on the date of signing and remain in effect for a period of [1 year]

For Khalsa College of Engineering & Technology:

Ref. No. KCET/968/10/23 Date: 3/10/2023

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

KHALSA COLLEGE OF ENGINEERING & TECHNOLOGY (KCET), established by 127 year old KHALSA COLLEGE CHARITABLE SOCIETY, AMRITSAR having its registered college at Amritsar, Punjab-143001 Approved by A.I.C.T.E, New Delhi and Ministry of H.R.D Gov. of India and is affiliated to IKGPTU, Jalandhar (Punjab)

AND

SHIV PARVATI (GOVT. CONTRACTOR & ENGINEER)
NEAR FUTURE FOUNDER SCHOOL, NARAINGARH, CHHEHARTA, AMRITSAR

I. PURPOSE

The purpose of this MEMORANDUM OF UNDERSTANDING (MOU) is to provide a framework for Development of cooperation, coordination and relationship between both the Departments in order to strengthen and facilitate the Teaching – Learning Processes of Learners and other related activities.

II. AUTHORITY

This MEMORANDUM OF UNDERSTANDING, hereinafter referred to as MOU, is prepared by and made between the KHALSA COLLEGE OF ENGINEERING & TECHNOLOGY, AMRITSAR hereinafter referred to as "KCET, AMRITSAR" and the SHIV PARVATI (GOVT. CONTRACTOR & ENGINEER) NEAR FUTURE FOUNDER SCHOOL, NARAINGARH, CHHEHARTA, AMRITSAR. hereinafter referred to as "SP CONSTRUCTION" under provision of the concerned authorities of each organization.

III. RESPONSIBILITIES

KCET, AMRITSAR and SP CONSTRUCTION, AMRITSAR mutually agree:

- To extend mutual academic Co-operation to support each other's work (Curriculum Design & Development, Research Activities, Academic meeting etc)
- To establish a formal understanding of cooperation and friendship intended to promote exchanges between the two Departments: sharing of Physical Resources (Laboratories), Human Resources (Expertise through Lectures).
- To promote better understanding between the faculty and students from both Departments to participate in joint activities (Like: Participation in Seminars, Students Projects, Training, and Industry Visit).

Date 4/10/23

Broadly, the basic objects of the Association are:

- The main object of the association is to encourage and foster the ideals of the profession, to hold meetings/workshop/seminars for dissemination of knowledge amongst the civil engineers in particular and the society at large.
- To foster ideals of profession, promote friendship; establish rules for professional and ethical conduct and to develop social awareness and responsibility in the members. To bring to the members the latest technological advancements in the world, prepare them to carry out futuristic designs with an eye on assurance of quality, to give access to technical papers, books and computer software, to arrange lectures by distinguished engineers from India and abroad and to conduct study tour of projects.
- To act as spokesman for the Consultants to deal with Government, Corporations and other agencies regarding policy matters.
- To identify the areas in which consultants can contribute to the betterment of the Country like rural housing, urban development, low cost housing etc.

Cooperation and development of activities may extend to Civil Engineering fields and subjects in which Khalsa College of Engineering & Technology, Amritsar and Er. Arun Aggarwal & Er. Radha Aggarwal (Chartered Engineer, Valuer, Surveyor), Amritsar may identify shared interests. Both the parties recognize that this Memorandum of Understanding establishes a foundation of mutual understanding and interest and does not in itself entail any financial obligations for either party.

This agreement shall become valid upon signing by both sides, and will be in force from the date of signing, with the understanding that the agreement may be cancelled by either side effective not less than one month notice in writing is given by one of the parties to the other party.

Date..... 11/10/2023

- To foster ideals of profession, promote friendship; establish rules for professional and ethical conduct and to develop social awareness and responsibility in the members. To bring to the members the latest technological advancements in the world, prepare them to carry out futuristic designs with an eye on assurance of quality, to give access to technical papers, books and computer software, to arrange lectures by distinguished engineers from India and abroad and to conduct study tour of projects.
- To act as spokesman for the Consultants to deal with Government, Corporations and other agencies regarding policy matters.
- To identify the areas in which consultants can contribute to the betterment of the Country like rural housing, urban development, low cost housing etc.

Cooperation and development of activities may extend to Civil Engineering fields and subjects in which **Khalsa College of Engineering & Technology, Amritsar** and **Nagi Associates, Amritsar** may identify shared interests. Both the parties recognize that this Memorandum of Understanding establishes a foundation of mutual understanding and interest and does not in itself entail any financial obligations for either Party.

This agreement shall become valid upon signing by both sides, and will be in force from the date of signing, with the understanding that the agreement may be cancelled by either side effective not less than one month notice in writing is given by one of the parties to the other party.

NITTTR CHANDIGARH

MOU

Between

ESTD. 2009

**KHALSA COLLEGE OF ENGINEERING AND TECHNOLOGY,
AMRITSAR**

And

**NATIONAL INSTITUTE OF TECHNICAL TEACHERS
TRAINING & RESEARCH, CHANDIGARH**

- 3.6 NITTTR will bear the cost of TA/DA and honorarium to the experts that may be invited during the conduct of the programmes.
- 3.7 NITTTR shall provide honorarium to the local coordinator and ancillary staff as per its prevailing norms.
- 3.8 NITTTR, Chandigarh will facilitate the college faculty for undergoing Pedagogical Training through NITTTR guidelines.

Note: The above provision may change from time to time, as per the rules/norms approved by BOG/MOE/institute from time to time

4. COMMITMENT BY KCET, AMRITSAR

- 4.1 KCET, Amritsar will take initiatives to facilitate participation by faculty/teachers from Government/Government aided engineering colleges and polytechnics of the state.
- 4.2 KCET, Amritsar will promote participation of all technical teachers in new/emerging technology areas.
- 4.3 KCET, Amritsar shall provide the guest house facility for Experts/NITTTR faculty and officials free of cost/or on nominal charges.
- 4.4 KCET, Amritsar shall provide necessary infrastructure facilities e.g., classroom, conference hall, laboratories, library etc. that may be necessary for conduct of the programme and other activities free of cost.
- 4.5 KCET, Amritsar shall provide the hostel and mess/canteen facilities for outstation participants at nominal rates.

5. TENURE OF THE MOU:

The said MOU shall be valid for a period of 3 years from the date of agreement and can be further extended for an equal or a different period on mutual consent. In case of any difference of opinion that may arise during the execution of this MOU in its true spirit, both parties shall make genuine efforts to resolve the same by mutual talks. In case the same persists, either of the party can terminate the MOU by giving a notice of 30 days.

6. FORCE MAJEURE

Notwithstanding any item contained in this MoU, neither party shall be held responsible for actions beyond their control (e.g. natural calamities, law & order situation and so on) and no compensation shall be claimed by either party from other nor shall it be paid. Either party may terminate this MoU in the event a force majeure event subsists for more than thirty (30) days.

MEMORANDUM OF UNDERSTANDING

The following Memorandum of Understanding (MoU) was made on **December 2022** to establish a new partnership between **Virtual Cyber Labs** and **Khalsa College of Engineering and Technology** for achieving various aims and objectives related to the development of both organizations.

Purpose:

Virtual Cyber Labs and **Khalsa College of Engineering and Technology** are desirous to enter the Memorandum of Understanding between them, setting out the working arrangements that each of the partners agrees on the following terms:

KCET Deliverables:

1. KCET will setup a Centre of Excellence with Virtual Cyber Labs in the college premises which will have necessary resources. A dedicated lab which is accessible for students to practice and for sessions.
2. Students will be asked to register for the events hosted by Virtual Cyber Labs in order to attend sessions and to submit required assignments.
3. The content to be posted on the social media handles of KCET will be provided by Virtual Cyber Labs. Additional content to be posted will be decided by the Student Coordinator at their discretion.
4. Computer related contests will be done under the banner of KCET collaboration with Virtual Cyber Labs wherever cybersecurity is included.
5. KCET will ensure the promotion of global contests, events, sessions among students in all the ways hosted by Virtual Cyber Labs.

VIRTUAL CYBER LABS Deliverables:

1. Virtual Cyber Labs will provide cybersecurity awareness and training in form of online sessions or offline facilities.
2. 10 exclusive self-paced cybersecurity practical courses (worth Rs 15,000) will be issued to all students of KCET for free. Out of which 7 are listed on AICTE portal.
3. Centre of Excellence, setup by KCET in the premises will be used for delivering hands on through the cloud-based labs and practicing related security approaches.
4. Students will be provided with facilities of research under experts' guidance and will be prepared for industry level security models. Per month two online guest sessions will be conducted.
5. The MOU can be upgraded in the future if any new feature is added from Virtual Cyber Labs or if the society has shown exceptional work throughout the period.

Quality of service:

Both the parties will aim to provide services to the best of their current potential during the time of the contract. Both parties are open to reviews and feedback, but that information must not be disclosed beyond

VIRTUAL CYBER LABS

Registered office: Virtual Cyber Labs, Near Akshardham, New Delhi,

Zolostays

MEMORANDUM OF UNDERSTANDING

This Memorandum Of Understanding ("MoU") is effective from 17th August 2021, executed at Bangalore on 17th August 2021 ("Execution Date")

by and between:

Khalsa College of Engineering & Technology, Amritsar, C-Block, Ranjit Avenue, Amritsar, PAN: AAAAT3573C of the **First Part**.

AND

Zolostays Property Solutions Private Limited, a company incorporated under the provisions of the Companies Act, 2013 represented by its authorized signatory **Mr. Santhosh Krisan** having its registered address at No. 1190, 22nd Cross, HSR Layout, Sector 3, Bengaluru- 560102, Karnataka, India (hereinafter referred to as the "**Zolo**", which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns) of the **SECOND PART**

Zolo and Institute are hereinafter collectively referred to as the "**Parties**" and individually as a "**Party**".

WHEREAS:

1. Khalsa College of Engineering & Technology, Amritsar imparts Technical Education along with Management and Paramedical courses.
2. Zolo is *inter alia* engaged in the business of facilitating internships for students pursuing an undergraduate or post graduate degree in any discipline from a recognised university in India.
3. Zolo has represented its ability to offer and facilitate internships to the students of the Institute and the Institute has thereby agreed to assist Zolo in this regard on the terms and conditions as set out hereinbelow.
4. The Parties are desirous of setting forth the terms and conditions, representations and principles relating to the provision of facilitating internships by Zolo to the Institute.

NOW IN CONSIDERATION OF THE MUTUAL COVENANTS AND AGREEMENTS, THIS AGREEMENT WITNESSETH AND IT IS HEREBY AGREED AND DECLARED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

1. PURPOSE

- a) The purpose of this MoU is to appraise the Khalsa College of Engineering & Technology, Amritsar that Zolo shall be offering a complimentary access to **MyFirstXP.com** ("**Platform**") for its students.
- b) The Khalsa College of Engineering & Technology, Amritsar shall assist the students shall be registering themselves to this Platform ("**Interested Students**") and/ or the Program (as defined hereinafter).
- c) The Platform shall be helping the Interested Students to find the relevant short and long term internships basis the skills and expertise.
- d) The Khalsa College of Engineering & Technology, Amritsar hereby agrees and grants Zolo the right to publicize its association with the Khalsa College of Engineering & Technology, Amritsar and for this purpose Zolo shall be permitted to use the name and logo of the Institute.

2. SCOPE OF SERVICES OF PARTIES

- a) Zolo with the help of the Khalsa College of Engineering & Technology, Amritsar shall register the Interested Students on the Platform;
- b) Zolo shall make available the course materials on the Platform for the Interested Students which is crafted and developed by MyfirstXP. It is hereby clarified that the students may subscribe themselves to the paid programme(s), the enrolment of which shall provide them with a guaranteed internship, subject to the terms and conditions as specified on the Platform in this regard ("Program");
- c) The said course materials available on the Platform may be in the form of short recorded texts, audios and case studies, power point presentations, PDFs (portable document format), graphics, overlays, special and audio-visual effects, scripts used to create/ shoot the videos, industry projects and case studies, set of assessments (including but not limited to quizzes, assignments, tests, projects and proctored examinations) spread through the duration of a program, live and/or recorded lectures. /
- d) Khalsa College of Engineering & Technology, Amritsar agrees and understands that it shall provide the database (including Students Name, Students Contact Number, Students Personal Email id, Department / Course, Batch Year) of the students to Zolo, the usage of which shall be governed by the applicable laws.
- e) Khalsa College of Engineering & Technology, Amritsar shall acknowledge Zolo as its 'Internship Partner' in all its external communications, including official press release.
- f) Khalsa College of Engineering & Technology, Amritsar shall issue communication to the relevant academic institutions under its purview to encourage/ direct them to use the Platform for its students.

3. TERM AND TERMINATION

- a) This MoU shall be effective and subsisting from the Effective Date until its mutual termination by the Parties.

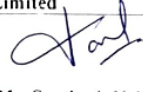

4. REPRESENTATIONS OF PARTIES

- a) Each of the Parties has full capacity, power and authority to enter into this MoU and during the Term of this MoU, will continue to have full capacity, power and authority to act under this MoU and carry out and perform all its duties and obligations as contemplated herein.

5. MISCELLANEOUS

- a) This MoU shall be governed, construed and interpreted according to the laws of India and courts at **Bangalore** shall have the sole and exclusive jurisdiction in relation to the matters and/ or disputes arising out of this MoU.
- b) This MoU constitutes the entire agreement between the Parties regarding the subject matter and overrides any prior agreements (whether oral or written) between the Parties in this respect.
- c) This MoU shall not be amended, altered or modified except by an instrument in writing expressly referring to this MoU and signed by the Parties.
- d) This MoU may be executed in any number of counterparts, and each such counterpart shall be deemed to be an original instrument, but all such counterparts together shall constitute one agreement.

AND

Khalsa College of Engineering & Technology, Amritsar

Dr. B R Ambedkar National Institute of Technology, Jalandhar, Punjab and Khalsa College of Engineering & Technology, Amritsar agrees to the following broad terms of cooperation:

- Both the Institutions will support each other's endeavours in delivery of Academic programmes and Research activities through:
 - Exchange of Scientific and Technical Information
 - Joint supervision of Postgraduate and Ph. D. students
 - Undertaking collaborative research activities through participation in Nationally and Internationally funded projects.
 - Jointly organize events such as seminars, workshops, conferences and training programs.
 - Training of students of both Institutions as per the facilities and resources available.
 - Any other objective as agreed upon in writing by both the Institutions.
- Both parties acknowledge and understand that all financial arrangements, if any, will be subjected to prior written agreement and availability of funds for each activity/project undertaken.
- The MoU remains in place for a period of five years from the date of signing of the agreement and may be renewed thereafter.
- No party shall have the right to use the name or logo of another party without the prior approval of that party in writing.
- The terms of this MoU may be modified/amended at any time subject to mutual written agreement. Such modifications/changes shall be effective from the date on which both the parties execute them in writing.
- The MoU may be terminated by either party by giving 3 months' written notice. In the event of termination, both parties shall ensure that the interests of students are safeguarded to the extent possible.

ASSOCHAM

Memorandum of Understanding

Between

**Associated Chambers of Commerce & Industry of India
(ASSOCHAM), New Delhi**

and

Khalsa College of Engineering and Technology, Amritsar

About ASSOCHAM –

ASSOCHAM is the oldest apex chamber of India started its endeavour of value creation for Indian industry in 1920. Having in its fold more than 100 National Councils, National and State chambers, Trade Associations and serving more than 4 lakh direct and indirect members from all over India.

About GEM -

ASSOCHAM has taken a Green Initiative to care for the Mother Earth and executes the "GEM Sustainability Certification Program" with the objective to complement in India's Sustainability Movement and take it to the next level to promote environment friendly green building design and construction.

GEM has been designed for the sustainable design and development of the buildings and related developments. GEM stands for **Green and Eco-friendly Movement**.

The program includes Sustainability, Energy and Water Efficiency, Fire and life safety, Indoor Air Quality, Daylight, Fresh Air and Human Comfort and is based upon BEE ECBC 2017 and NBC 2016.

Since launch, GEM Rating System has made rapid strides in Green Building which covers projects across India and many GEM Certified Professionals. ASSOCHAM GEM has regional chapters in Punjab, Rajasthan Gujarat and UP.
