Re: Offer of Internship with Octaculus Technologies

Dear Amritpal Singh,

On behalf of Octaculus Technologies (The "Company"), I am pleased to extend to you this offer of Internship for 6 months for **Data Analyst**, reporting to Amritpal Singh (Senior Data Scientist). If you accept this offer, you will begin your internship with the Company on 3rd October (Tuesday), 2023 and will be expected to work 54 hours (6 days) per week. After successful completion of this internship period, you will get the internship and project certificate.

You will receive "Data Analyst Intern" status. As this Internship is unpaid, you will not receive any of the benefits that regular Company employees or paid interns receive, including but not limited to health insurance, vacation or sick pay, and paid holidays.

Your internship period is expected to end on 3rd April (Wednesday), 2024. However, your Internship with the Company is "at-will" which means that either you or the Company may terminate your internship at any time, with or without cause giving 7 days' notice. As per your performance, company will offer you for the paid internship after the successful completion of this internship period.

Roles and responsibilities of a Data Analyst Intern

Data analyst responsibilities include conducting full lifecycle analysis to include requirements, activities and design. Data analysts will develop analysis and reporting capabilities. They will also monitor performance and quality control plans to identify improvements.

- ✓ Interpret data, analyze results using statistical techniques and provide ongoing reports
- ✓ Develop and implement databases, data collection systems, data analytics and other strategies that optimize statistical efficiency and quality
- ✓ Acquire data from primary or secondary data sources and maintain databases/data systems
- ✓ Identify, analyze, and interpret trends or patterns in complex data sets
- ✓ Filter and "clean" data by reviewing computer reports, printouts, and performance indicators to locate and correct code problems
- ✓ Work with management to prioritize business and information needs
- ✓ Locate and define new process improvement opportunities

Confidentiality: During your internship, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer of Internship, you acknowledge that you must keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree

Re: Offer of Internship with Octaculus Technologies

Dear Inderdeep Singh,

On behalf of Octaculus Technologies (The "Company"), I am pleased to extend to you this offer of Internship for 6 months for **Data Analyst**, reporting to Inderdeep Singh (Senior Data Scientist). If you accept this offer, you will begin your internship with the Company on 20th November (Friday), 2023 and will be expected to work 54 hours (6 days) per week. After successful completion of this internship period, you will get the internship and project certificate.

You will receive "Data Analyst Intern" status. As this Internship is unpaid, you will not receive any of the benefits that regular Company employees or paid interns receive, including but not limited to health insurance, vacation or sick pay, and paid holidays.

Your internship period is expected to end on 3rd April (Wednesday), 2024. However, your Internship with the Company is "at-will" which means that either you or the Company may terminate your internship at any time, with or without cause giving 7 days' notice. As per your performance, company will offer you for the paid internship after the successful completion of this internship period.

Roles and responsibilities of a Data Analyst Intern

Data analyst responsibilities include conducting full lifecycle analysis to include requirements, activities and design. Data analysts will develop analysis and reporting capabilities. They will also monitor performance and quality control plans to identify improvements.

- ✓ Interpret data, analyze results using statistical techniques and provide ongoing reports
- ✓ Develop and implement databases, data collection systems, data analytics and other strategies that optimize statistical efficiency and quality
- ✓ Acquire data from primary or secondary data sources and maintain databases/data systems
- ✓ Identify, analyze, and interpret trends or patterns in complex data sets
- ✓ Filter and "clean" data by reviewing computer reports, printouts, and performance indicators to locate and correct code problems
- ✓ Work with management to prioritize business and information needs
- ✓ Locate and define new process improvement opportunities

Confidentiality: During your internship, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer of Internship, you acknowledge that you must keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree

Prabhjot Singh

Khalsa College of Engineering and Technology

Dear Prabhjot Singh

We take this opportunity to welcome you into the folds of our company. It gives us immense pleasure to offer the role of **Associate Software Engineer**, for which you were interviewed with us following the "Campus Placement-2023" held at your institution/organization campus via virtual mode by conducting an Online Test.

The compensation and other benefits that you would be entitled to are stated in the Appointment letter. We request you to go through the same and return the enclosed duplicate copy of this letter in acceptance of the same within a week of the dated also for joining come along with your complete academic/final degree/provisional certificate. Accordingly, we will arrange to issue to you a detailed letter of initial offer on the date of your joining us as being agreed between us, which will be any day on or before August, 2024 with recommended "Apprentice by the company.

The role, in which you would join us, is a very important one which will entail dealing with important and sensitive information, records and such other matters of the company. You will, therefore, be required to sign a "Code of Conduct and Secrecy Agreement" of our company at the time of your joining the company.

We look forward to you joining our team. We are sure that you will have a bright career with our company. For any query or Inquiry contact office or write us at career@rapsitech.com

With Best Regards

Savneet Kaur

October 17, 2023

APPRENTICESHIP LETTER

Dear Savneet,

On behalf of 1GEN, I would like to extend this apprenticeship opportunity as a Cloud Operations Apprentice. Your main tasks and responsibilities will be to support the firm in all cloud operations deliverables and other development and execution initiatives. You're also expected to support all the firm related operations if needed and ad-hoc project tasks.

Should you accept the offer, you are expected to start on August, 2024. During this period, Ravinder will be your mentor.

You will be given a monthly stipend of Rupees 5000 during your apprenticeship.

The offer of apprenticeship with 1GEN set forth in this letter is not a commitment of employment for any specific duration. However, if you meet firm's expectations, you will be converted into a full-time member within 3 months. Your apprenticeship with 1GEN will be at-will, which means that 1GEN may change the terms and conditions of the employment relationship, and that you may leave 1GEN, or 1GEN may require you to leave its employ. for any reason or for no reason, at any time.

The at-will nature of your internship with 1GEN is not subject to change other than through a written agreement signed by you and an Executive from OneGen Social Innovations Labs, India Pvt. Ltd.

Please take your time in reviewing the terms and conditions of this internship. By signing below, you will be accepting the terms and conditions of this internship. For any other questions or clarifications, feel free to call or email me from the contact information seen below.

Once again, we look forward to you joining the team.

POOJA MONGA
Co-founder & COO

I agree to the terms of the employment set forth above.

APPRENTICESHIP LETTER

Dear Tannu,

On behalf of 1GEN, I would like to extend this apprenticeship opportunity as a Cloud Operations Apprentice. Your main tasks and responsibilities will be to support the firm in all cloud operations deliverables and other development and execution initiatives. You're also expected to support all the firm related operations if needed and ad-hoc project tasks.

Should you accept the offer, you are expected to start August, 2024. During this period, Ravinder will be your mentor.

You will be given a monthly stipend of Rupees 5000 during your apprenticeship.

The offer of apprenticeship with 1GEN set forth in this letter is not a commitment of employment for any specific duration. However, if you meet firm's expectations, you will be converted into a full-time member within 3 months. Your apprenticeship with 1GEN will be at-will, which means that 1GEN may change the terms and conditions of the employment relationship, and that you may leave 1GEN, or 1GEN may require you to leave its employ. for any reason or for no reason, at any time.

The at-will nature of your internship with 1GEN is not subject to change other than through a written agreement signed by you and an Executive from OneGen Social Innovations Labs, India Pvt. Ltd.

Please take your time in reviewing the terms and conditions of this internship. By signing below, you will be accepting the terms and conditions of this internship. For any other questions or clarifications, feel free to call or email me from the contact information seen below.

Once again, we look forward to you joining the team.

POOJA MONGA
Co-founder & COO

I agree to the terms of the employment set forth above.
