Subject:- Implementation of e-Governance.

For bringing efficiency in the administrative set up, it has been decided to switch over to e-Governance. The process involved was explained lucidly during a presentation given in the meeting hall of Khalsa College Governing Council, Amritsar on 27-6-2014 to highlight its salient features.

For the implementation of e-governance, it would do well to route all the official correspondence through e-governance. Side by side the system of sending official correspondence as is being done, will be maintained. In clear terms one copy of the document will be routed through e-governance correspondence and the other copy will be sent by hand/post as the case may be.

If there still persists any doubt and the officials concerned needs any further enlightenment, be free to contact this office.

Kindly ensure the implementation of e-governance.
