Sir,

Khalsa College Charitable Society, Amritsar, a non-Profitable and non-Commercial Educational Society registered in 1892, has been doing Yeoman's service to Indian Society by providing high quality education to the youth of India. The Society, under its progressive leadership is guided by the true humanitarian spirit of Sikh Tenets "Welfare & Well-being of all" (Sarbat Da Bhala). In its existence of nearly 131 years, the Society has maintained its Philanthropic outlook so that the benefits of quality education seep deep down into the disadvantaged strata of society.

Director

Responsive to the winds of change and to meet the regional, national and global aspirations of the people of Punjab, Khalsa College of Engineering & Technology, Amritsar was established in year 2009 under the aegis of this prestigious Society. I feel proud to share that in a short span of 14 years, our college has carved a niche for itself as a provider of Quality education in Technology & Engineering and has been recently accredited with A Grade by NAAC, BANGLORE. We are also in the process of NBA for some Departments. In Civil Engineering we have NABL accredited Labs. In sync with Vision & Mission, we have imparted totally free education to 87 engineering enthusiasts from economically weaker sections of the Society. The bright, promising, and highly accomplished young engineers of this college are making their presence felt in reputed MNCs, PSUs, Army, Merchant Navy and other sectors.

Mr. Pungy

Our college is making giant strides in Academics by winning large no of top positions in the University exams, but we are doing an all out effort to reach for the stars as an Institution of Technical education. We want to make the paradigm of Engineering education more meaningful by adding a new dimension to the existing scheme of things by inviting high quality faculty from IITs and NITs for brief periods. As we all know, quality in any Institution is an ongoing process and as knowledge knows no boundaries, it is best to garner it from all available resources. In the modern knowledge Society, it is happening all over the world as renowned universities are opening up their resources to anyone interested in knowing. Interaction with the brightest and best minds from Institutions like yours will certainly enhance our learners' knowledge and skills and expand their horizon. Together we can bring benefits of life changing education to all strata of Society so that these people become active agents of positive changes in the larger interests of Society, mankind and civilization. If a great Institute of national and International repute like yours champions the cause of Engineering education and mentors our upcoming Institution, together we can make a difference in the lives of our students and bring about a transformation in society. With this Philosophy in mind, we seek co-operation and collaboration from your prestigious Institute. So, you are requested to depute your faculty members to **join hands with us to ignite the minds for this noble cause to uplift rural area students from underprivileged sections of the society.**

Subject: Request for Guest/Visiting Faculty.

Sir,

As we know, knowledge knows no boundaries, it is best to garner it from all available academic sources for the benefit of the students. In the modern knowledge society, it is happening all over the world as renowned universities are opening up their resources to anyone interested in knowing.

With this philosophy in mind, we would like to request you to allow learned faculty from IITs and NITs to be our Guest Faculty for brief periods so that our students can meet the best and the brightest minds and reap the benefits of their vast knowledge and experience. It will be a matter of great pride and a great contribution to Indian society if our IITs and NITs champion the cause of engineering education and mentor the upcoming institutions like us.

Stay for the guest faculty and Appropriate Honorarium (as detailed below) will be provided by our institution, once the proposal is agreed.

About Us

Established by the 130-year-old, legendary non-profitable, non-commercial Khalsa College Charitable Society with the avowed aim of “Welfare and well-being of all”, Khalsa College of Engineering and Technology (accredited by NAAC Grade “A”) is providing quality technical education to the youth of Punjab. The College is endowed with state-of-the-art infrastructure, well-equipped labs with the latest software, instruments, and machines, and highly qualified and committed faculty. Every day at this institution is a day of discovery and innovation as we encourage creativity in young minds.

About The Conference

IBRTEA-2024 sponsored by SERB is being organized from the 4th -5th of April 2024 at Khalsa College of Engineering and Technology, Amritsar. In recent years, Internet of Things [IoT] technology envisions developing a hyper-connected world, where intelligent systems can communicate and control each other to deliver highly diversified services and applications to users. The primary motivation of IBRTEA-2024 is to deliver state-of-the-art research insights on the Internet of Things [IoT] paradigm to access, manage, and control the objects/things/people working under various information systems and deployed under a wide range of applications like smart cities, health care, industries, smart homes, etc. The conference aims to showcase the ongoing research work in IoT Systems and is on the verge of transforming the current static Internet into a fully integrated Future Internet.

About Us

Established by the 130-year old, legendary, non-profitable, non commercial Khalsa College Charitable Society, with the avowed aim of “welfare and Well-being of all” Khalsa College of Engineering and Technology, Amritsar (**Accredited “A” Grade by NAAC**) was established in 2009 to spread the benefits of quality-oriented technical education to the youth of India based on access and equality. Institute has rapidly grown to become the institution of choice for students. Sprwaling over and area of 17 acres the college has a colossal building, hostels, workshops, a fully automated library, seminar rooms, large classrooms, and laboratories equipped with cutting-edge technologies, instruments and machines. We strongly believe in equity of education. Currently institute is an ideal example of cultural diversity being the home to students from 8 different countries and various states of India. We under this institute are united under the roof of educational umbrella.

About The Conference

This Conference and Panel Discussion is being organized on 8th March 2024 to celebrate International Women's Day and aims to discuss thread bare the often-overlooked issue of the misuse of rights by women exploring its underlying causes, implications, and potential solutions. By fostering discussions and knowledge exchange, we seek to raise awareness and promote positive collective action towards achieving gender equality and justice. Our overarching objective is to empower women by addressing the root causes, raising awareness, fostering advocacy, and promoting accountability. By achieving these goals, we aspire to contribute to the creation of a more just and equitable society where all women can exercise their rights with dignity and autonomy, while safeguarding the rights of males.

Themes for Paper Presentation:

- ◆ Contribution of Women to Family
- ◆ Contribution of Women to Society
- ◆ Contribution of Women to Nature
- ◆ Root Cause of Misuse of Rights by Women
