# ABOUT KHALSA COLLEGE OF ENGINEERING AND TECHNOLOGY

Established by the 133-year old, legendary, non-profitable, non-commercial Khalsa College Charitable Society, with the avowed aim of "Welfare and Well-being of all". Khalsa College of Engineering and Technology, Amritsar (Accredited "A" Grade by NAAC) was established in 2009 to spread the benefits of quality-oriented technical education to the youth of India based on access and equality. Institute has rapidly grown to become the institution of choice for students. Sprawling over an area of 17 acres the college has a colossal building, hostels, workshops, a fully automated Library, seminar rooms, large classrooms, and laboratories equipped with cutting-edge technologies, instruments and machines. We strongly believe in equity of education. Currently institute is an ideal example of cultural diversity being the home to students from 8 different countries and various states of India. We under this institute are united under the roof of educational umbrella.

## ABOUT KHALSA UNIVERSITY

Khalsa University, a multi-faculty institution, was established in 2016 under the aegis of "Khalsa College Charitable Society, Amritsar (KCCS)" vide Punjab Government Act No. 44/2016 under the UGC Act, 1956. Khalsa College Charitable Society, Amritsar the premier-most institute of higher learning, was established by the leaders of the Singh Sabha Movement in 1892. The Society drawing strength from the profound teachings of the Great Sikh Gurus and from its own illustrious past forges ahead with a visionary outlook. The mission of Khalsa University is to provide opportunities for educational, vocational, professional, social, linguistic and cultural development of the students of all abilities and backgrounds; enabling them to discover their potential and fulfil their aspirations. The University offers education in various areas of Science, Engineering, Computer Science, Education, Sports Sciences, Commerce, Management, Law, Pharmacy, Arts, Nursing, Physiotherapy and other Allied Health Professions. Apart from its existing constituent colleges, a new College of Agricultural Sciences is all set to be established.

## FDP OBJECTIVES

- To facilitate inner transformation of educators for achieving excellence in teaching and professional life
- To integrate Indian Knowledge Systems (IKS) and holistic approaches into modern education.
- To promote sustainable thinking through a smart, clean, and green mindset.
- To promote holistic grooming for personal and professional growth.
- To stimulate hidden potential and self-awareness.
- To align inner clarity with outer performance for impactful teaching-learning outcomes.
- To develop mindfulness for focus and inner peace.

# FDP CONTENTS

The indicative topics of the FDP include:

- Orientation to holistic educator development
- Mental decluttering and productivity enhancement
- Introduction to IKS and its relevance in modern teaching
- Aligning thoughts, actions, and teaching goals
- Indian Knowledge Systems integration

# FDP OUTCOMES

The Faculty Development Program on “Inner Transformation for Outer Excellence in Skill and Teaching” aims to empower participants with the ability to integrate inner awareness with professional competence. After completing the FDP, faculty members will be able to enhance their teaching effectiveness through improved self-awareness, emotional intelligence, and inner alignment. They will develop better classroom engagement, communication, and student-centric teaching methodologies while incorporating elements of Indian Knowledge Systems into their pedagogy. Overall, the FDP will help educators foster holistic student development, uphold ethical values, and create a structured plan for their continuous professional growth and excellence.
